POSTAL REGULATORY
COMMISSION
U.S. DEPARTMENT OF THE POSTAL SERVICE

TO: Senator Maria Cantwell
TO: Senator Patty Murray
CC: Louis DeJoy

Dear Postal Regulatory Commission, Senator Murray, and
Senator Cantwell

SUBJECT: Postal Proposals by Louis DeJoy

Please deny Postmaster General Louis DeJoy's 10-year-plan proposals which include sending mail by truck instead of plane, closing smaller point offices (such as those in rural communities), limiting post office hours further, and hiring private companies to provide some Post Office services. THESE ARE DRASTIC MISTAKES, in my opinion.

Replacing Mr. DeJoy at the earliest opportunity might provide the best single Postal Improvement.

Please see the statistics below which provide corroborating data for how effective our Postal Service is. Does Mr DeJoy have data to refute these? Or evidence and facts to support his changes?

Thank you,
Douglas Rahn

In 2017, 81 percent of respondents reported a positive score of five or six regarding USPS's delivery accuracy.

USPS is cheaper than FEDEX.

UPS is consistently the **less expensive** of the two, although **FedEx** flat-rate options do offer some deals. The Post Office was **cheapest** across the board for 1- to 3-day shipping, with prices 40-55% less than **UPS** and 43-63% less than **FedEx**. Nov 17, 2020

USPS Priority Mail is twice as fast as FedEx Ground, delivering in two days rather than four. The Postal Service also has the advantage of being able to deliver to PO box addresses. Jul 29, 2020\

What is the safest shipping method?

USPS

USPS is one of the best and **most reliable shipping methods** for delivering to consumer for home **delivery**. **USPS** service is by far the **cheapest**. There are many **shipping choices** available. First Class, Media, Priority and Express Mail. Aug 16, 2018

What is the most secure way to ship a package?

Registered Mail

Registered Mail is the **most secure way to send a package** through the USPS. As part of the **security** conditions for this mail class, Registered Mail must be sent with proof of mailing which requires a trip to the Post Office (you cannot deposit your **package** in a collection box).

How should I ship my package?

If price is your main concern, then go with USPS for **packages** up to 2 pounds. If your **package** is really heavy, consider using the Priority Mail flat rate boxes if your item will fit in the box. You can also further reduce your **shipping** costs by going with a USPS provider called ShippingEasy.com.

Does USPS give free boxes?

USPS gives its customers **free** shipping supplies to send packages through certain classes of mail. The **USPS** will keep you well-stocked with **boxes**, stickers, forms and more for **free**. ... The **post office** will allow you to order up to 500 of its shipping **boxes** or labels **free** of charge.

How can I mail something without going to the post office?

You can order free Priority Mail and Priority Mail Express boxes, or other **package** supplies at **usps.com**. Again, **USPS** will deliver items to your address. And at **usps.com**, using Click-N-Ship, you can print a **mailing** label with the appropriate postage right from your computer.
